If Mothers Only Knew!

By Dr. True

Nineteen-twentieths of the sickness of children have two causes: constipation and worms!

The danger of constipation is understood, but there are 50 different kinds of worms that may exist in the stomach and bowels, and children are especially apt to have them. Usually stomach and pin worms.

Signs of worms are: Indigestion, with a variable appetite; abnormal craving for sweets; nausea and vomiting; swollen upper lip; sour tongue; offensive breath; hard and full belly with occasional gripings and pains about the navel; face at one time flushed, then pale and in a few cases the face takes on a dull leaden hue; eyes heavy and dull, twitching eyelids; itching of the nose; itching of the rectum; short, dry cough; grinding of the teeth; little red points sticking out on tongue; starting during sleep; slow fever; pulse quickened and irregular; body may be hot; and often, in children, convulsions.

Rid the child of worms and you will have a healthy, happy child.

NOTE—Dr. True's own prescription, sold under the name of Dr. True's Elixir, is the best remedy in the world for worms. It destroys all worm life, expels worms from the body and makes the child healthy again. All dealers, 35c, 50c and \$1.00.

"THE GREATEST KIDNEY REMEDY ON EARTH" SAYS A GRATEFUL WOMAN

I want to tell you how much good your Swamp-Root did me. About four years ago I suffered from what the doctors called fistula and for two years of that time I endured what no tongue can tell. I also had inflammation of the bladder and I tried doctor's medicines without receiving any help. Someone told me about Dr. Kilmer's Swamp-Root.
After giving it a thorough trial, I received relief, so kept on using it and today I am a strong and well woman. I never feel badly or out of sorts. I take Swamp-Root and it always straightens me out. I honestly believe that this medicine would cure all troubles you recommend it for and it is a pleasure for me to send my testimony and photograph to you. I think Dr. Kilmer's Swamp-Root is one of the greatest medicines on earth.
Respectfully yours,
MRS. JOHN BAILY,

WHY YOU SHOULD USE CHILTON PAINT

It is a Pure Linseed Oil Paint. It contains no Benzine or Naphtha in any form. Its record for durability is not surpassed. It has been used here in Norway for 20 years. It covers more, covers better and wears longer than many other advertised brands.

It really costs less than paints sold for less money, for it must be thinned with Linseed Oil or Turpentine before using.

Try it this year and you will always demand it.
